BUDDHA RUPA SPONSORSHIP @ SAMADHI VIHARA
(Renewal on half yearly or yearly basis)

Images of Sakyamuni Buddha inspire people, and help Buddhist practitioners create merits by bowing, making offerings, prayers and so forth. Positive energy is generated which helps to purify the negativities around us.

At Samadhi Vihara, there are 1,000 Sakyamuni Buddha statues measuring 5 inches in height available for sponsorship, providing an opportunity to members and devotees to participate in adorning the Vihara's shrine hall. These statues will inspire Buddhists to continue on the path that leads to happiness and liberation. Besides that, the funds collected will be used for the maintenance of this Vihara, and propagation of the Buddha Dhamma. The act of offering and sponsoring the statues of Buddha, enables one to accumulate infinite, inconceivable merits for one's wellbeing and become the cause of Enlightenment

Sponsorship can be made in the name of oneself, family members, in memory of departed love ones or for the benefit of all beings.

All statues will be placed in a beautifully designed glass cabinet with the name of the sponsor displayed in front of the statue.

Terms of Sponsorship:

1. Rate of Sponsorship for each statue can be made on a
(1) Half yearly basis of RM130-00 or
(2) Yearly basis of RM200-00
2. Upon expiration of the sponsorship period, sponsors may extend their sponsorship by remitting their contribution within one (1) month otherwise, the display slot will be allocated to another sponsor in the waiting list.

If you feel that you would like to contribute to support the activities of the Samadhi Vihara, please complete the enclosed sponsorship form and send it back to us together with your remittance for our immediate action.

May your generosity, support and good wishes form the basis for Samadhi Vihara to earnestly promote and propagate the Dhamma to prolong the Buddha Sasana.
